I would like to thank all those that have helped me in putting this Thompson family together.

I started in 1969 and have been working on and off the family till 2016 when I decided it was time to stop and get this info where others could use it.

You will notice there are several different addresses on the family group sheets as have printed them at different times.

As of the 16th of June 2016 the above is my new and hope last address. I moved from upstairs to down stairs as my kids kept after me to not do the steps as may come a time when I couldn't so best to do when I can, and sure glad I took their advise as know in a few years I would never have been able to make that move. I'm healthy now but you never know from day to day what will happen. The only way to live now is from day to day.

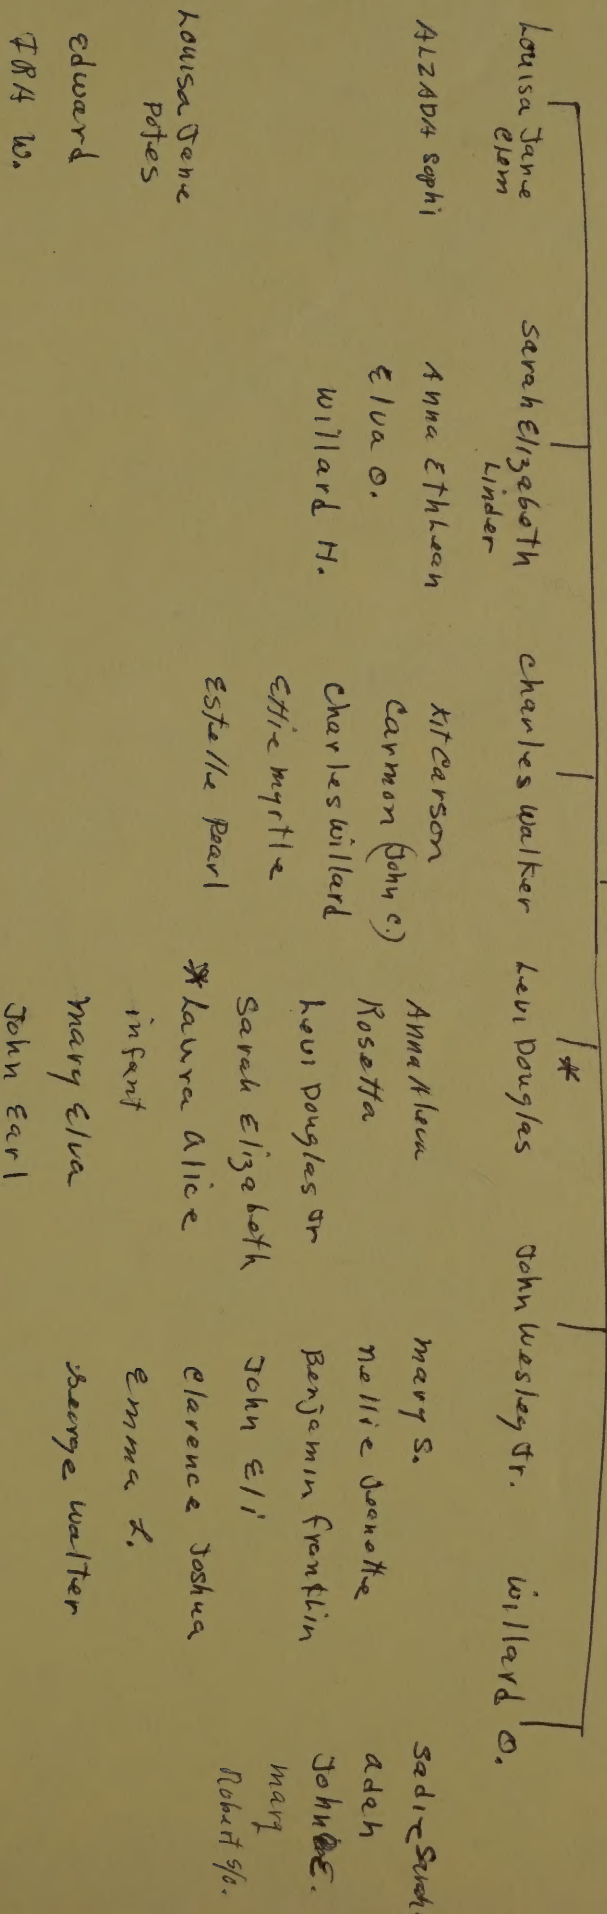

This would actually be Book 2.
Family of Ignatius and Ann ? Thompson and their 9 children. Book 3 and 4 will be their son John Wesley and Mary Harpole Thompson and Book 5 will be their son Levi Douglas and Martha Billiter Thompson and their children.

Book 1 is the first of this line that I know which is Ozwald and Anna or Nancy ? Thompson Sr.

1964 a letter written by George Thompson, son of John Jr. to his niece, said John Sr. moved from Iowa to Mo in the spring of 1858. Stated John Sr. was a sargent with Grant during the Civil War and his son Charles also served the last year of Civil War with Grant. (Charles was born Nov 1849- he would have been 15 in 1864 so not sure this is correct). Also stated John Sr. was 1/2 Scotch and 1/2 English and Mary Harpole was 1/2 Dutch and 1/2 Irish. (How he determined this I don't know.-since no one I know has located any info on John Srs parents to date. We do have info on Marys family however. It is believed Harpole was German.) Gladys,

Thank you so much for the photos & copies of the letters!

I would have thanked you the minute I received them via email, but my computer

crashed! Noe is me! I lost everything according to one repairman. I have one more expert to see on Monday before I give up completely.

Thanks again.

REPLY TO INQUIRY MILITARY

You will find an answer to your inquiry in the statement(s) checked below. We do not keep copies of this correspondence. If it is necessary for you to write again, please return this form and all related correspondence to:

Central Reference Division (NNC)
National Archives (GSA)
Washington, DC 20408

- ☐ 1. The enclosed information will help answer your recent inquiry.
- ☐ 2. Please review carefully the enclosed leaflets which describe the contents of military and related records on file at the National Archives, and resubmit your request for copies on the enclosed GSA Form 6751, Order for Copies-Veterans Records. (Because of the volume of requests we receive each day, we must limit our service to processing requests submitted on the prescribed forms.)
- ☐ 3. To locate a veteran's file, we need the following information: (1) name of veteran; (2) war or period in which he fought; and (3) State from which he served.
- ☐ 4. The National Archives does not have records relating to military service prior to the Revolutionary War. You may be able to obtain information by writing the State archives in the State from which the veteran served.
- ☐ 5. The National Archives does not have records relating to service in World Wars I or II or subsequent service. You may obtain information by completing the enclosed Standard Form 180 and directing it to: National Personnel Records Center (Military), 9700 Page Boulevard, St. Louis, MO 63132.
- ☐ 6. Prior to 1944, Army regulations allowed the preparation of only an original discharge certificate which was given to the soldier. The National Archives would not have the certificate on file unless it was later submitted by the veteran in support of a pension or bounty-land claim. *Confederate* soldiers in service at the time of surrender did not receive discharge certificates. They were given paroles, and these became the soldiers' property.
- ☐ 7. Pensions based on military service for the Confederate States of America were authorized by some Southern States but not by the Federal Government until 1959. Inquiries about State pensions should be addressed to the State archives or equivalent agency at the capital of the veteran's State of residence after the war.
- ☐ 8. A soldier's record does not necessarily show all battles or engagements in which he may have participated, nor does it necessarily list all of the officers under whom he served.
- ☐ 9. The bounty land warrant application files relate only to claims based on service rendered in wartime between 1775 and 1855.
- ☐ 10. Records in the National Archives relating to burials of veterans are incomplete. You are advised to address your request for information from burial records to the Director, Cemetery Service (41A), National Cemetery System, Veterans Administration, Washington, DC 20420.
- ☐ 11. When a file fully reproduced will contain more than ten pages of reproductions, we select from the file for reproduction the documents we determine to be of the most value to you for genealogical purposes. By specifically requesting, you may receive copies of all documents in a file. We will bill you for the additional reproduction cost.
- ☐ 12. A veteran's *military service record* is a file separate and apart from pension files and bounty land warrant application files. Compiled military service records do not normally contain family information.
- ☐ 13. We are enclosing reproductions of a summary of the veteran's military service, taken from his pension application file.
- ☐ 14. A brief history of the organization and activities of the military unit mentioned can be found in Frederick H. Dyer's *A Compendium of the War of the Rebellion* (New York, 1959), Volume 3. Your local library may either have this publication, or be able to assist you in locating a copy.

Dear Mrs. Hamilton:

(ONLY ITEMS CHECKED BELOW ARE APPLICABLE)

In reply to your recent request, inclosed is a photocopy of the military record of service as indicated. The information entered on the record is all that is on file in this office. When we are unable to locate a record that is requested we try to furnish one that most nearly coincides with the information furnished. Family information is not entered on the military record of service and we are unable to utilize it to determine a family relationship.

John W. Thompson, 50th Regiment Enrolled Mo. Militia
(Union)

We were unable to locate the record of military service requested for

The absence of a record from our Confederate files is by no means an indication that the individual did not serve since these files contain only approximately one-half of the reported 40,000 Missourians who served the Confederacy, including Pension applications, and Home applications.

The following offices may be able to further assist you from the records in their files:

- ✓ A. National Archives & Records Center, National Archives Building, Washington D. C. 20408. They have additional records over and above those in this office. Union pension applications and bounty land applications are also included in their holdings.
- ✓ B. The State Historical Society of Missouri, Columbia 65201. They have census records and county histories from which family information may be obtained. Please include the city, county and year of residence to assist in their search.
- ✓ C. The record of pension payments that are kept by the Comptroller General. General Accounting Office, Records Division, Washington D.C.. These records usually show the date of last payment of pension, the name and address of the person paid, and possibly the date of death of the pensioner.

Additional information (as checked) is desired for further assistance in locating the proper record:

A. Full-name to include middle initial

B. County of residence or enlistment

C. Numerical designation of organization served with such as 12th Mo. Cav., 6th Mo. Inf., etc.

D. Please designate whether Union or Confederate.

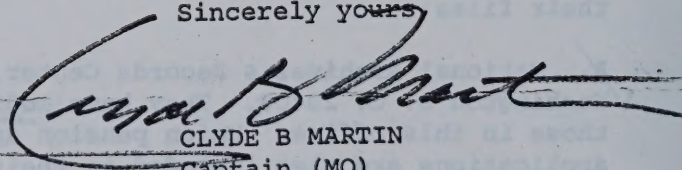

E. Place of residence of Veteran or Widow in Missouri in 1890 for a Union Veterans Census check.

Inasmuch as there is no charge connected with our service we are returning the following.

✓ If this office can be of further service, please feel free to write again.

Sincerely yours

Dear Sir Please inform
me how much the O. & W.

Thompson demand Estate Commission
to do I am one of the heirs

to the Estate I cannot find
out anything from the Administrator

and please inform me how
much Bonds did they give
and who is their Debtor

They want to tell me anything
about it - it looks as

though there was something
checked in their proceedings

as they keep everything in
the dark and now long are
they allowed to keep the
Estate Open and why does
the Land require two

Administrators I think one of
them Pauline is enough to
be a going on the Estate
if the Law requires Bonds
make them pay up and

please let me know when they
go to make their settlement -
as soon as they give notice
for settlement - for I want
to be there at that time

and I will if I can return it
Please let me know what the
Estate was appraised at -

Dear Lillie & Delbert:

Will write you a line or two. It is foggy here today. Just got back from Watsonville. Some one stole the headlight door off my car, went over there to get a new one. The Ins. Co. has to replace it Cost them \$12.00.

I am like you I think Minnie is wrong about Mary being born in Iowa, her your mother and Ben were born in MO. Eli in Iowa, then Clarence in MO. Emma and me in Wash. Now that is the way I always had it.

Your Grandpa and Grandma were married in Muscatine, Iowa Sept. 14th 1874 and went right down to Mo. to Grandpas folks. They were going to come west in 1875 but Mary would of been born on the road and they gave up the trip. They were coming by wagon train. Then they sold out in 1879 and was coming west and Grandpa Thompson talked them out of it and gave them 80 acres of land, then they stayed until Clarence was 1 yr old and sold out again and left Kirksville, MO. Mar 4th 1889 and came to umatilla Oregon and stayed there all that summer.

Then that fall some woman came down from Colfax and told them about Bill Miller that is (Georges Brother) having a 1/2 section and wanting a renter so your grandpa came up and rented it. The house was right up the flat from your Grandma Whites about 1 1/4 miles jthat is where Emma and I were born, they lived there 5 years. Bill Miller wouldn't rent the place but for only 1 yr at a time so your Grandpa rented 320 acres at Thornton for 3 yrs and moved there in fall of 1894, and some one bot the place and took over when your grandpa's first lease was up and he moved just over the hill to the Jim Smith house to winter and that is where Ben died Feb. 4th 1898. then he bot there on Pleasant Valley. The house that Emma and I were born in stood just 1 mi. south and 1/2 mi. East of the house on the home place up the Valley.

Your Grandpa Thompson had three Bros. & 2 sisters. The oldest was Charles, then I think the two girls came next Louwisa who married a fellow by the name of Popes, then Sarah married Ben Linder then Lee, your Grandpa then Willard.

Your Grandpa was born in Iowa Oct 19th 1855, Willard was born down in MO. I think. Your Great Grandpa Thompson moved from Iowa to MO. in the spring of 1858. and was a Sargent with Grant during the Civil War. And Charles served the last year of the Civil War. He was with Grant also.

Your Great Grand mother Thompson was 1/2 Dutch 1/2 Irish and your Great Grandpa Thompson was 1/2 Scotch 1/2 Inglish. If you don't have the date your Grandpa Thompson died its Dec. 19-1915.

Both sides of your grandma's house were Pennsylvania Dutch. She had 5 bros two sisters. The oldest was Lorenzo, then Isaac, then John or Jacob I don't know which one of those two came first then Mary, then the twins Jane & George then your Grandma Emmaranda Sophia spitsnogle.

Your Great Grandma Spitsnogle was supposed to be married before she married George Spitsnogle and had one girl, which you never heard them say much about she died young. Her first husbands name was Rice.

Your Grandma Thompson was born in Illinois and they moved to Iowa when

she was about 3. So that would make it about 1857. She was born 12-1-1854. I think your Great Grandpa Spitsnogle was born in Kentucky for him and Ab. Lincoln were school boys together and used to visit and stay all night with each other.

This 1/2 sister of your Grandma's name was Latricia. I couldn't think of it for a whilele.

When Lincoln and your great Grandpa were School Kids together Lincoln went to School when he got a chance but your great grandpa played hookey and went fishing.

Will this is all I can think of to tell you noow.

I didn't get to see Seth this time he was over to the beach but I was in San Jose that day and didn't get home until after 8 o'clock that evening and he had gone home, and at that time I was having trouble with my back and I didn't get back into San Jose for three weeks.

Are you and Delbert Coming down this wathis winter? I am not getting up this year my daughter from Seattle was down so I will wait until next year.

No I didn't know Claude Gates was in Pullman. I haven't heard from them since last Xmas. except about the last of Jan. or first of Feb. When I got the letter from Lloyd in the Philippines.

Have you heard from Minnie lately? I wrote her last week. I got a letter from her while she was in Alaska.

I suppose Bob and Betty are home by now. I bet they enjoyed their trip around the world.

Ask Delbert if he is voting for Goldwater. I think I know what he will say.

I think I will close. HOpe you can make out all this family history I have tried to write up for you.

Your Uncle
George

P.S. Ask Minnie if she knows where she was born. It was on her Grandpa Millers old homestead and your Aunt Anna White owned it when she died.

(this is typed copy. Joyce E. Hamilton sent me a copy of the original, which she has.)

Hi Gladys,

I know what you mean about mistakes. I have made some and found some. I, too, believe it is important to check and recheck the data. I appreciate the documentation you do. From your explanation, I feel confident that your records are accurate concerning John W. Thompson's birth date.

Yes, Sandy shared your emails with me. I believe your dates are accurate. My listing of names and dates were apparently made by a cousin, not a direct family member.

The only dates and names I am sure of are for Jessie (Compton) and Byrd Daniels's children and family members since they are the relatives that I see all the time at reunions. Jessie was Esther House's aunt, so I probably have all the photos she shared with you. When you have time, I'd appreciate it if you would let me know which photos she shared just in case I don't have them.

Thanks again.

Hi Vivian,

Got back from trip, not really a vacation thought as was working in court house and library all day and cemetery running so was really a research trip but didn't find anything earth shattering but did find few things was needing to fill in on collateral lines. Probably was rested more there then at home as had so much to catch up on as had to work next day, next day run my mother around and fix her hair and had running of my own to do then worked Sat & Sun and work Tues and Thurs this week so don't have a lot of spare time but later hope to.

Enjoyed the pictures you sent and will look at the few that I have to see if have any connection to any of them but you are probably right, they are probably from that family. I only have a few pictures that Esther House had given me so don't have that many to compare but will as soon as I have some time.

I wish I had more proof of John W. Thompson's birth date but since I had the date from his sons bible and cemetery date was same and census records were all very close I think that is more right and know from early handwriting some years are hard to set apart and one looks like another.

Did Sandy send you the list I sent her from your first e-mail about the dates that were different as some were off by a year and my grandmother's birth was off by a year. She was born in 6 Aug 1885 and your records had 1886. Again the date could have been misread as in my grandmothers bible was 1885.

If Sandy sent you the other dates won't go into that here but if she didn't then will go back and check the dates to see where we differ. Again when I get time will go back over the data you sent me as well to see the dates and will check against my sources. Again not to say my dates are any more right then

the dates you have and you would think bible records would be correct from the same family. But mistakes are made.

After 37 years of doing genealogy I have come across a lot of mistakes, some mine and some from others as no one is perfect so always leave that little doubt there to work with. The internet has been a big help in giving some help as to where to look and some new info but you have to check it out yourself and sure can't rely on that being all correct as sure can lead you down the garden path if you aren't careful. But if you are stuck it can be a lead you just needed to start things again, but you still have to work at finding what is correct. Some maybe and some isn't.

So will keep in touch.

Gladys,

Have a nice vacation. It sounds like you are very busy. I hope your vacation is restful. Sometimes I have to come home from a vacation to rest.

Concerning John W. Thompson's birth date, I have changed my date to 1824. Your research shows good evidence that 1824 is accurate. It is very possible that whoever copied my records mistook the 4 for a 9.

Thanks for the information on the Berrys. Looking back over my entries, I found that I do have Berrys listed. I don't even remember doing it.

It seems ironic to me that Michael Berry's name is listed first in Alzada and Jerry Compton's old bank book that I found.

Perhaps Louisa (and baby Alzada) returned to live with John and Mary Harpole Thompson when she was deserted by Van Pearce Clem. If so, Alzada would probably know her great aunt Elizabeth and uncle Michael Berry quite well. Just speculation, but one of Alzada's grandchildren remembers the story of Clem deserting.

I'm going to send you several photos that I know are Alzada's kin because they were with her children's photos. However, I don't know who they are.

I look forward to hearing from you when you return.

Sandy and Gladys,

I am going to send you the data I have collected on the family of Alzada Clem Compton (dau of Louisa Thompson Clem) up to this time.

If you are interested, I can also send family photos.

I would appreciate any corrections and additons that you can send me. I love researching family history; I wish I could devote more time to it.

I don't have ancestry.com right now. I wish I did, but:

1930 census has: Ira W. Potess in Santa Barbara

1920 census has: Ira V. Potess in San Diego

He's also in world War I Draft Registration Cares, 1917-1918 as Ira Waite Potess

John N. Potes is in the 1920 census in Easley, Macon, MI

One word tree says that he later married Cora Saddler in 1908 in MO,
She was born in 1869 in Missouri

It says there is an Ira H. Potes in the 1880 Cenuus in Drake, Macon,
MO. He was born in 1875 in MO

Another One world tree entry has a Tilman Edward Potes born to Louisa Jane Thompson and John N. Potes in 1871 in Adair County, MO . Tilman and Edward could be the same or brothers.

I am thinking that the father may have spelled his hame Potes and the son may have spelled the name Potess.

Hi Vivian,

Thanks for sending the card. What is the state? Anaconda what? Didn't look like AZ which is where I know he died but maybe he did some traveling before he settled in AZ or maybe he lived somewhere else after he left MO. I have never heard. I knew he hadn't married but had never heard the story of why.

He may have gone by the spelling Potess but know all records of mother and the bible record listed her as Louisa Potes as did census. From info I know Gladys Compton spelled her name that way but if you didn't know that some have spelled it as Gladis but you would think her brother would have known how to spell her name. Too bad there isn't a date on it.

Will have to keep working on this I guess.

Sandy and Gladys,

Just when I thought I had the POTES/POTESS spelling figured out, I found this card Ira sent to his niece Gladys Compton. However, notice that he spelled her name "funny." Maybe he was just a creative speller and decided to spell his name differently than his family. ?? I don't know, but I'm changing it back to POTESS and making a note that he may have chosen to spell his name differently than his father's.

I asked another family member if he remembered anything about "Uncle Ira." This is what he told me:

So far as I know, Uncle Ira never married. His story is that his fiancée and he were riding across the prairie at a good clip. Her horse stepped in a prairie dog hole and broke his leg. She went over his head and broke her neck and died.

I don't think he was in the military, but he might have been in the Spanish American War. He was too old for WWI. He died after we moved to California in 1937.

He worked on the canal in southern Calif. I think it was called the All American canal.

My memory of him goes back to the mid-thirties in Missouri. After moving to Calif I saw him several times as he visited with uncle Orin several times. Apparently Orin was heir to his property. No way of knowing how much. Orin said it was used to take care of his funeral. He was cremated. He wanted his ashes scattered at the Mount Carmel Cemetery where his sister Alzada is buried. I do not know if that happened.

Gladys,

You are helping me so much with my records. Thank you for your time. I really appreciate it. Yes, Yes, I would love to have copies of Ira Potess' letters. Tell me how much \$ to send to cover the copying and the postage. My address is

Vivian C. Wright

It is taking me a while to update and expand my records with the new information, but I am having a great time doing it.

I do not have Esther House's vital stats in My Family Treemaker, but I will search in the box of news clippings until I find it. It's ironic that I have the older dates, but not the recent obits listed. I emailed Dorothy Sadler to ask her, but she hasn't been feeling well lately, so I don't know how soon I will receive an answer.

Thanks again.

Thanks for sending the picture, I hadn't seen that one. Yes Deloma Easley thompson was 2nd to last in the back on the left in the yellow dress with glasses and dark hair, 2 behind Esther. How did you come by the picture and do you know who else is in the picture? the one between Esther and Deloma looked familiar but can't put a name to her.

I knew you would want copies of the letters because they are really interesting reading and the abstraction doesn't get the feel of the letters at all. So will be glad to send them to you. Wish I could send them in an attachement but I just don't have any luck with getting them in the computer and send so just give up on that part.

Deloma's name never came up when I talked to Dorothy Sadler. I never knew to ask about her. I think she is probably pictured in this photo. The day I showed this photo to Dorothy she wasn't feeling well.

Dorothy is always in good spirits, but I know she doesn't feel well some times.

Jul 2006 Vivian Vice Wright sent an e-mail to Sandy Taylor saying she found a loose page in th Compton family bible that listed some of the Thompson's birth dates. She had same birth dates as I did for Mary Harpole, Louisa Jane and Alzada and Levi Douglas but different for John Wesley Thompson birth 25 Jan 1829 where as we have had 25 Jan 1824.

Different birth date for Van Pearce Clem and year off for my grandmother Laura Alice Thompson, 6 Aug 1886 instead of 6 Aug 1885.

By Sep 2006 Vivian had sent me copies of all her bible records from the Compton family. One of these bible records also had birth date of Alzada as 3 Oct 1866. Another one of her bible records had her birth as 3 Oct 1867. This was same bible record they changed Jerry's birth date from 1858 to 1856.

Jul 2006 Vivian Vice Wright sent e-mail to Sandy Taylor saying they found a loose page in the Compton family bible which listed Louisa Jane Thompson b. 28 Mar 1844 md to Van Pearce Clem b. 11 Oct 1841 (my birth date listed as 11 Oct 1843 and some other dates of John Wesley Thompson and Levi Douglas Thompson. Few of the dates differed in years but month and day same.

Sandy also listed Filmore Potes as first child b. 1872 and died bef 1945, Tilman Edward also b. 1872 and believe they are the same child. As he wasn't in the 1880 census but Tilman was at age 8.

CHILD 1 - Tilman Edward POTES-2737

Info from Esther House and Deloma Thompson. He may have been born about 1871. Nothing known to date except he was to have a daughter Alta DeBerry who lived in Arizona. Esther thought Pauline Patrick maybe knows where as she received a donation to the Mt Carmel cem. Association some years ago.

Sandy Taylor located them in 1880 census in Macon Co. Mo and listed Tilman age 8 with parents and brother Ira. That would make his birth closer to 1873.

Notes

CHILD 1 - Tilman Edward POTES-2737 (Continued)
Checked SSDI index and didn't locate him there.

CHILD 2 - Ira Wait POTESS-2738

Info from Esther House and Deloma Thompson. Thought he was born about 1873. Nothing known to date except he was never married. Clyde Compton was asked to bring his ashes to the Mt Carmel cem. and placed on his mothers grave, which was done.

Have pictures of Ira when he was a young man. Also copies of several letters he had written to the family.

It was said he died in California after 1900. Letters written from MO Sep 1900 was visiting in MO and planning on going to CO to make his home and by Oct 1900 he was living in Kansas City MO. 326 & 328 W. 6th St. That letter he said he was in the army and worked up to 3rd Sargent and then had lung problems and was discharged. Dec 1900 wrote to WA and said he was working in a wholesale house in Kansas City. Said was going to get married but she changed her mind and he was going to CO to get some land but didn't need to so thought would join the 32nd MO in Kansas City and go to Manilla and act as Co. cook. Copies of these letters were sent from Joyce Hamilton of St John WA in 1986 written by Ira Potes to Nellie White of St John, WA. (related to John W. Thompson JR's family)

The Sept letter said he had been in Oklahoma teaching school for 2 terms in fall and winter of 1897, in a Government school at O.T. for \$45.00 a month, teaching Indians. Came home at Xmas and took sick until May 1899 with lung, heart and catarrh trouble.

How and when he went to California, no one seems to know or when he died from family info.

Vivian Vice Wright sent copy of a post card he apparently sent to Miss Gladis Compton in Mo and he signed it Ira Potess. No date on card but believe from Anaconda, MT. Believe he may have changed his name to Potess as his father was John N. Potes as believe his brother was.

California Death Records sent from Sandy Taylor Oct 2006 listed one Ira Wait Potess born 27 May 1875 MO, mothers maiden name Thompson, died Apr 13, 1953 age 77 at San Luis Obispo city & co, CA. SS# 564-03-6338.

Checked SSDI index and didn't find him listed either spelling.

Sandy also sent info from 1880 census Macon, Mo listing Ira W. Potes with parents and brother as age 5 MO.

Notes

HUSBAND - Tilman "Edward" POTES-2737

Info from Esther House and Deloma Thompson. He may have been born about 1871. Nothing known to date except he was to have a daughter Alta DeBerry who lived in Arizona. Esther thought Pauline Patrick maybe knows where as she received a donation to the Mt Carmel cem. Association some years ago.

Sandy Taylor located them in 1880 census in Macon Co. Mo and listed Tilman age 8 with parents and brother Ira. That would make his birth closer to 1873.

Checked SSDI index and didn't locate him there.

Faye Francis found some info on internet that listed his name as Filmore C. Potes b. 1872 MO, brother Ira H. Potes b. 1875 MO. Other site said name Tilman E b. 1872 Mo, brother Ira W. b. ca 1875, died Oklahoma, OK 1976. She found someone looking for an Edward Potes b. 1871 Adair Co. MO and died in AZ. Said he was md to ? Miller and had a dau Alta Grace Potes . b. 1896 MO and died 1993 in Springfield, Oregon, md to Frank DeBerry.

Roy Wilkerson Jr, Duncan, OK, Dec 2009 sent me copy of Tilman Edward Potes death certificate.

Died Somerton, Yuma Co. AZ age 62 yrs 2 mo 6 days. Was married and his wifes name was Mrs Jean Potes, who was also informant. Address listed as RFD Yuma, AZ. Listed as farmer.

Cause of death cardiac failure from tubar pneumonia. From the Johnson Mortuary, Yuma AZ. Buried Yuma cem.

Father listed as John N. Potes b. Mo and mother Louisa Jane Thompson b. MO

Sent copy of Alta Grace DeBerry's death cert. but couldn't open that one.

WIFE - Venie C. MILLER?-2739

Death info for Alta Grace says her father was Tilman Edward Potes and mother was Venie C. Potes b. 1877. So was she the Miller or was the 2nd wife the Miller?

Since Tilman's wife was listed a Jean on his death cert. 1934 It would appear he was married more then once.

CHILD 1 - Alta Grace POTES-2740

Was said Edward had dau Alta DeBerry who lives in AZ. Nothing to date.

Info from Roy Wilkerson Jr Dec 2009 listed complete birth and death for Alta Grace and parents as Tilman Edward Potes b. 1872 and Venie C. Potes b. 1877.

Alta died Springfield, Lane Co. OR. Married to Frank Little DeBerry 1888-1971 and had 4 daughters lived to adulthood and 2 childred died as infants. He sent me some info on them as well.

Believe the info on Alta was from death ceretificate info.

Never married.

Letters sent from Joyce Hamilton of St John WA. 1986 to me.
Written by Ira Potes to Nellie White of St John WA.

Walnut MO. Sep 23, 1900 wrote saying he was visiting his Aung Sarah
Linder near Winnigan, MO. He had been in Oklahoma teaching
school for 2 terms the fall and winter of 97 (1897). Teaching
in the Government School in O.T. at \$45.00 per month. Teaching
Indians. Came home at Xmas and was sick until May 15, 1899.
Dr. came two times a day. He contracted lung, heart and catarrh
trouble while in the South. Says will go to Colorado in the Spring.

Walnut MO. Oct 31, 1900 wrote Nellie Thompson White St John WA.
Never, Never will I get over the loss of my mother. I am to get
married but have not told anyone here. Due to leave here between
the 1st & 15th of Nov for OK. Where I expect to work until the
last of Feb where I am coming back to Old Mo. and where the
propper ???????? to take my departure for Colorado where I expect to
make my future home. Aunt Sarah has sold her farm at Winnigan and
has moved to Uncle Lee? is going to Iowa then.

4 Nov 1900 Received your letter and picture.

Will send buttons when I get some made. Last one before I left the
territory was big and fat, there weighted 210 pds. You asked
who Sarah and Douglas married. Sarah married a hotel? ? by name of
Jim Hodge, too worthless for the pigs to notice and Douglas married
a Vertreese girl, quite a nice young lady. They lost their first
baby, a boy. I fought Sarahs match to no avail and now she knows it.
I wanted her to take Claude Conkran and would be dressed in silk
today. He was worth 1/2 million dollars now.

Yes I joined the army and worked up to 3rd Sargent and then lung
trouble broke out and I had to be discharged.

Kansas City MO. Dec 19, 1900 Mrs Nellie White, Diamond, WA.

I am now at work in a wholesale house in Kansas City, been here
several days. I was going to get married, I told you, my girl
lives here in KC and since I came back she had changed her mind.
Was going to Colorado to get piece of land but don't need it now.
Guess I will join the 32nd MO. here in KC and go to Manilla and
act as Co. Cook.

I saw Elva the day I started here she and Oat both looked well.
When you write me send I.W.P.

But those times were so long years ago we have since been separated and in a sense, for our childhood joys, but oh how quick it will return to us at the slightest bidding.

For true, dear Nellie has surely on you in allowing you to retain in the words your dear Mother but our mother has turned our friendship shoulder, but never of never dear Nell will never forget my dear Mother. With as dear

Well dear Cousin. Since I have your letter I have read another which contained the photo of your self and little girl, as I told you in the other letter when I told you that some time I am going

long ago and I think your
Baby is just Real handsome. Tell her
I am going to wear her stamp
picture in the pocket on my
watch chain and am going to wear
her one I wear on a button
with a pin to it and she may
wear it as a broochpin, I will
not get to send it in this letter
for some folks were here. I saw
one of the young ladies put
it on and work it off. am going to
get it and send to your Baby.

I thought Sarahs was taken

value of a silver dollar and
always had plenty of money in his
pocket, later on he was worth \$450,000.
His sister took up a science
degree and on some was found a poet.
His sister married a minister and
the very subject of mineral and
when his sister died she be-
queathed it all to him, and it
was thus he became the worth
near half a million dollars.
Now listen to me dear friend
minute. Why do you want to
sit down and say when saying things
don't go just right with you? don't
you know your stature your height
just that much. Shouldn't you as
much trouble as anyone and should

found it is but I do a little
crying as possible. At some times
you lose your things I all in-
tentional purposes but that is
downed the wire for me.

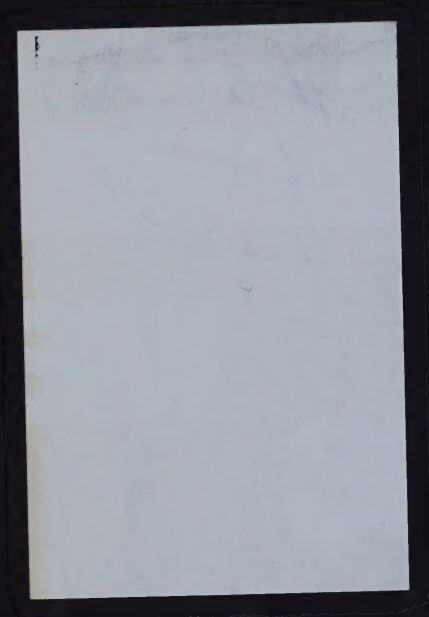

Ed & Maria are well, have two awfully
cute little girls and one little boy
dead. Charles & Caroline Hoff
are at the teaching school this
winter. As soon as I get my boys
I am going out in the prob-
ably of course where you were
would soon teach you something
that you could make more money
at and not work near as hard as
fishing fruit. You & friend the army
had worked up a good bargain and
this time trouble broke out on me
and I had to be discharged.
Well I will close and soon

 is a much healthier country
 than this.
 Well I would like to have your

 we find our tasks difficult to do
 so the but we can do little over
 a year ago I was worth about

 Oklahoma, I taught school two
 terms there & was getting a
 nice little start for a young
 man the fall & winter of 1900
 I was teaching in the Government
 School in O.T. at \$45 per Mon.
 Teaching the Indians & come

It was then and there we
looking up on that type of human
personage I was brought back to
my child-hood days, that face
so familiar still bearing its
sacred look I remembered and pined
I could but reflect on the hours
we had spent around our

long years ago we have since
been separated and in a sense, for
our childish glens, but oh how
quick it will return to us at
the slightest bidding.

For sure, dear Nellie has smiled
on you in allowing you to retain
in the world your dear Mother
but on me it has turned an un-

HUSBAND - William POTES-7707

Info from Roy Wilkerson, Duncan, OK Dec 2009. Located Sandy's name on internet and also had my e-mail address so wrote to both of us and Sandy sent him what we had on his brother John N. Potes family and we have been corresponding with him and he has sent info on Williams family and I am sending him info on John N. Potes. So another line connected to. He doesn't know who the parents are but says there were the 3 brothers William, Francis/ Frank and John N. Potes, which we only knew of John N. Says all 3 signed up for Civil War at the same time in same co. But has no more info on Frank so maybe he died in Civil War.

Quite a story about how Williams tombstone was located and replaced where was suppose to be. Said reset it to be next to his wife, but I don't know where that would be. Maybe in what was Indian Territory and south of present day Sulphur, OK

Roy was descended from son Cumberland Sigal Potes and even had a picture of him with his wife and 2 younger children, Roy's gr grandfather Herbert taken about 1919 when Herbert was 10 yrs of age. He said all the Potes men had big hands and Herberts wedding ring size was 14 and that is large.

Sent a copy of his paper on Civil War. Enlisted Feb 11 1862 from Macon City, (Macon, Macon Co. MO) and #787 11th Reg't Cav. S.M. Vols. Capt George W. Bearness. Remarks: Consolidated with 2nd Regt. Cav MSM Sep 1, 1862. Enlisted with two brothers, Francis/Frank and John N. Potes.

I located William and family in 1880 census in Easley, Macon Co. MO pg 555c: William Potes 55 Ky, Sarah 47 Oh wife, Segal 18 Mo son, Dovie 16 Mo dau, Delbert 10 Mo son, Ulyssus Grant 6 Mo son and other, A.P. Kelton age 27 MO. John N. also in Drake, Macon Co. MO but not located Frank.

CHILD 1 - Cumberland Sigal POTES-7710

Sigal may have been married more then once or he had children older then what I know as Roy Wilkerson Dec 2009 sent a picture taken of Sigal and Nancy with 2 youngest Herbert Floyd and Mercedes takken about 1919.

Then he said Sigal had a son named John Wayne Potes, which was before they even knew who Marian Morrison was or changed his name to John Wayne. Herbert was grandfather of Roy Wilkinson.

He also said he had heard a story about John Wayne staying at a hotel in Sulphur, OK and was also documented in Sulphur History books. John Wayne Potes worked at that hotel at one time, his question was did John Wayne meet John Wayne. Very interesting.

Roy said William and Segal and Herbert all had big hands, even though they were not big men.

Roy's mother has a gun that Sigal had called Iver Johnson 12 gauge shotgun. She bought it from estate of Herbery Floyd when wife sold his items. Roy also sent pic of Herbert with the gun and holding a rabbit. Taken maybe about 1919.7

Denton County family traces tombstone's roots to Oklahoma

10:40 PM CDT on Tuesday, July 15, 2008

By **DONNA FIELDER** / Denton Record-Chronicle
dfielder@dentonrc.com

William Potes' tombstone sat in the Ballards' back yard in Krugerville for so many years that he became part of the family.

Mike Ballard brought the stone home 26 years ago, hoping his wife could find out where it belonged. Last week, she did.

Courtesy photo

Donna Ballard, left, tracked down the relatives of William Potes in Drake, Okla. She and her husband, Mike, took the headstone to Roy Wilkerson (center), his wife, Kim, and their 4-year-old son, Koy. They placed the headstone beside the grave of Mr. Pote's wife, Sarah.

[View larger Photography Photo store](#)

"We just thought of him as William," Donna Ballard said. "He mostly lay in the shade of a tree in the back yard, and we'd move him when we mowed. Over the years he just became part of our family."

The relationship began in 1982 when Texas Woman's University was tearing down its dormitory row where the new student apartments now are off Locust Street. Pud Ballard, who was not related to the Ballards, was a security guard on campus. When someone found a gravestone in one of the abandoned rooms, he thought of Mrs. Ballard.

"He knew I was obsessed with genealogy," she said. "He thought I could find where the stone came

from. Genealogy was not as easy back then. You had to go to libraries and pore over books. I couldn't find William, but every once in awhile, I'd try again."

Last week she was sitting on a bench in her back yard and thought once more about a grave somewhere without a marker – a family somewhere without an ancestor in his rightful place.

"I said, 'You know, William, it's time to find you a home.' "

So she turned to her computer, working eight to 10 hours at a time, for days.

She found many William Potes on old census records and narrowed down the list. Then she found a note on a Web site wanting to know where William Potes was buried. Mrs. Ballard checked out the similarities. This was "her" William Potes, she said.

She replied and received several messages from an excited 31-year-old man in Drake, Okla.

Roy Wilkerson had looked for Mr. Potes for most of his life. When he was 14, he stayed with his great-grandfather, Herbert Potes, for two weeks in the summer. The elder man was dying, Mr. Wilkerson wrote in an e-mail. But he spent a lot of time telling Mr. Wilkerson stories of his heritage. Mr. Wilkerson took notes.

His great-grandfather's grandfather was William Potes. He and his wife, Sarah, brought their family to Indian territory in 1884. He suffered eye and chest injuries while serving in the Union Army during the Civil War.

Mr. Potes died Feb. 13, 1886. There were no cemeteries in the area, so he was buried in the countryside somewhere between Dougherty and Nebo, Okla.

His grave was lost until sometime after World II, Mr. Wilkerson learned. At that time William Potes' grandson, Ira, found it and put a fence around it. That was the last anyone knows of the grave.

Mr. Wilkerson began a search of his own when his grandfather died that summer, he wrote. He posted the message on the Internet site in 2006 and forgot about it. So when an e-mail popped up July 8 asking if he was still interested in William Potes, he was astonished.

The two amateur genealogists agreed to meet Saturday to put his stone in the cemetery where Sarah Potes is buried. The Ballards drove to Oklahoma to meet the Wilkersons.

When Mr. Wilkerson saw the tombstone, he "leaned back against the door and his eyes started to tear up," Mrs. Ballard said. "They say grown men don't cry, but that depends on how big of a heart they have."

Questions about the tombstone remain, of course.

Who removed Mr. Potes' stone from his final resting place? How did it get from that lonely Oklahoma gravesite to a dormitory at TWU? When and why did it get there? Why was it left there when the tenant moved out?

And where are Mr. Potes' bones now?

"We'll probably never know," Mrs. Ballard said. "But now, I look out in the yard, and I think, 'William, where are you?' I miss him."

HUSBAND - Cumberland Sigal POTES-7710

Roy Wilkerson Dec 2009 sent a picture taken of Sigal and Nancy with 2 youngest Herbert Floyd and Mercedes taken about 1919.

Roy sent complete list of 10 children of Sigal and Nancy with all birth years and some death years.

Then he said Sigal had a son named John Wayne Potes, which was before they even knew who Marian Morrison was or changed his name to John Wayne. Herbert was grandfather of Roy Wilkinson.

He also said he had heard a story about John Wayne staying at a hotel in Sulphur, OK and was also documented in Sulphur History books. John Wayne Potes worked at that hotel at one time, his question was did John Wayne meet John Wayne. Very interesting.

CHILD 10 - Herbert Floyd POTES-7717

The birth and death dates from worldconnect but not sure her birth is right, maybe when they were married. But the birthdate is 1930 for Mary. Said she died 12 Nov 1994 Sulphur Springs, OK, parents were Edgar Lewis Bailey b. 2 Aug 1906 and Etna Tabor b. 17 Dec 1907. She had been married to Arville Vester Fowler first and had 3 children. Said Herbert died Daughery, OK

Roy sent me info on all of Herbert Floyd's wives and there were 4. Birthdates but no death dates.

Roy Wilkerson Jr said his ggg grandfather was William and gg grandfather Cumberland Sigal and gr grandfather was Herbert and his grandmother was Betty Potes (md to ?) and Patricia Manous was his mother. He is listed as Roy Wilkerson Jr so not sure where the names fit in.

Betty Potes b. 16 Jan 1940 still living

As you can see in the picture of ^{Sigal}William Potes, he was not a big man and neither was Herbert Potes. They just had big hands. I am 6'0" and weigh 225 lbs and my wedding ring is a size 11. My mother has Sigal's Iver Johnson 12 gauge shotgun. When Grandpa Potes (Herbert) died, his wife was selling all of his stuff. She told us that if we wanted anything, come to the yard sale and buy it. My mom bought the gun. We have a picture of Grandpa holding it and a rabbit at the age of 12.

Hey thanks for the update, now it makes sense and ages fit. So it was that William b. 1823 not 1863 that died in 1886 and is the one you have the stone of. Can't imagine a person wearing that size a ring. The picture I have of John N. Potes is not known when was taken but a very dignified looking gentlemen but only top of him so can't see his hands but doesn't look like a big man. Very interesting.

Thanks,
Gladys

Here are records where Francis M., John N. and William Potes all joined the Army the same day. Also is a picture of Cumberland Sigal Potes (1863 - 20 Sep 1925), his wife Nancy Jane Gadberry (7 Sep 1871 - 12 Apr 1959) with their two youngest children, Herbert Floyd Potes (4 Jul 1907 - 13 Jul 1991) and Mercedes Potes (2 May 1905 - 22 Nov 1987). This is the oldest Potes picture I have seen.

My line goes William Potes (15 Jan 1863 - 13 Feb 1886)---> Cumberland Sigal Potes---> William Potes---> Betty Potes (16 Jan 1940 - Present)---> Patricia Manous (25 Apr 1957 - Present)---> Roy Wilkerson Jr (17 Apr 1977 - Present)

John had two brother, William and Frank. They all three joined the Union Army together. I did not see anywhere where the contents of the letters were shown. In 1882, William came to Oklahoma with his family and John stayed in Missouri. I think John may have a will on file in Adair County, MO. However, I do not have a copy of it. I understand not wanting, or being able, to copy the letters. I am sure they are important to you. Should you ever have time to type out the contents, it would be most important to my family. We do not know the name of their parents, and may never know. We also do not know what happened to Frank. I have searched for years to find photos of them with no luck. The only Potes photos I have are of my great-great grandfather Cumberland Sigal Potes. This was William's son. It was taken when my great-grandpa Herbert Potes was about ten (abt 1917). Herbert Potes died in 1991 when I was 14. That is when I started my research. And it is only photocopy of paper of the original. I do also have a Potes family reunion photo from the 1960's taken in Ada, Ok. However, we have only identified a couple of them. John has a granddaughter, Ethel Hinkley, alive and living in Yuma. This is the daughter of Tillman Edward Potes' daughter Alta. I have had no luck contacting her. As I stated, my family settled in Indian Territory south of present day Sulphur, Ok. I wonder in Ira Wait Potes ever visited them? He had a cousin named Ira as well. This was William's grand son. I am enclosing a story of my 17 year search for the burial spot of William Potes. I found his headstone, but not where he was buried. Any help would be greatly appreciated.

Thanks for that bit of info as I did not know that. I knew Alta was dau of Tillman but nothing past that.

We will never see 60 again till next spring if lucky. Has still been cold and probably in for it all winter. But was able to get out and get the info mailed to you so you should be getting it soon if not allready.

Alta Potes is the daughter of Tillman Edward Potes. Floyd is my grandpa Potes oldest son. He knows little about the family. He is a retired doctor and pilot. He refuses to associate with our family and did not bother showing up to his own father's funeral. How is the weather your way. We have finally had a break. It is supposed to reach the low 60's here today.

Hi Gladys,

Found some info to add to your files. Alta Grace Potes, b. 1896 Missouri, died 1993 Springfield, Oregon, married Frank DeBerry, b. 1887 Texas, died 1971 Lane Co., Oregon. This was posted by John 02468 on Ancestry Message Board. Also, found a posting by Floyd Lee Potes of Palmdale, CA, concerning his family. He was born 1930 to Herbert Floyd Potes and Sylvia F. Cariker. In 1933, moved to Okla. with G.parents Cumberland Seagel Potes and Nancy Jane Gadberry Potes. His Grandfather, Siegal Potes, migrated from Ohio to Okla. His brother went to Michigan. Did not say which brother.

Anyway, not sure if you have all this but it may have some value for you. Kind of fun to dig around. Still not able to access that blasted genforum. My printer is having fits, also. Finally decided to print after about 15 minutes and scared me half to death. Needs a new cartridge

I am out of town for the holidays, but will get you all of the info when I get home. My mom's name is Patricia Ann Manous (b. 25 Apr 1957) and my fathers name is Roy Wilkerson Sr (3 Oct 1948). They are both still alive. Betty Potes' mom was Ruby Elizabeth Brown. Will get you those dates later. I started my research when Grandpa Potes died in 1991. I was 14.

Hi Roy,

I was wondering if you could send me your parents names and your grandparents names and who Herbert was married to when Betty was born as need the direct line so can add the info to my data base. Easier if have the direct lines to add and want them to be correct.

I must say you are younger then most people getting into genealogy so that is very nice to see. Use to be we didn't start this till our later years so nice to see a younger generation getting interested in where you came from. What surprises me is that more people are not interested in where they came from. I wish I had known about genealogy while my grandparents were living as know could have found out a lot more then I know but they had all died by 1969 when I started and many of the Aunts and Uncles had died or certainly weren't interested in me digging up any info on the family but has gotten little easier now but no one to get it from.

Thanks for any help you can give me.

Hi Gladys,

Found some info to add to your files. Alta Grace Potes, b. 1896 Missouri, died 1993 Springfield, Oregon, married Frank DeBerry, b. 1887 Texas, died 1971 Lane Co., Oregon. This was posted by John 02468 on Ancestry Message Board. Also, found a posting by Floyd Lee Potes of Palmdale, CA, concerning his family. He was born 1930 to Herbert Floyd Potes and Sylvia F. Cariker. In 1933, moved to Okla. with G.parents Cumberland Seagel Potes and Nancy Jane Gadberry Potes. His Grandfather, Siegal Potes, migrated from Ohio to Okla. His brother went to Michigan. Did not say which brother.

Anyway, not sure if you have all this but it may have some value for you. Kind of fun to dig around. Still not able to access that blasted genforum. My printer is having fits, also. Finally decided to print after about 15 minutes and scared me half to death. Needs a new cartridge which I have but didn't load it yet.

Later.

There are a few "family names" that is seen in our line as well as some other Potes lines I have found. For instance, "William", "Ira", "Delbert", "John" and "Nellie" are found several times throughout my lines. Sigal had a son named John Wayne Potes. This was years before Marion Morrison took up the name. I once heard a story about John Wayne staying at a hotel in Sulphur, OK. This is documented in the Sulphur History books. Interesting enough, John Wayne Potes worked at that hotel. Did John Wayne meet John Wayne? We will never know, but makes for a neat story.

*Maybe Ethel
later in life chld.
them*

Not a problem as according to births of other children I would guess Ethel was born between the 1929 child and 1933 child and probably 1931 if had to guess, which would make her the youngest living. Although if she was born after the 1933 child that died, would make her prob. born 1935, same year I was born. Interesting anyway.

I am not good at finding things on the internet unless very easy to find and if not easy, then have no imagination to where to look and since didn't know anything of this family would not have pursued it so am very glad you have.

Thanks,

Dear Gladys:

I'm going to mail this, tho I had meant to call and fill in a few missing items. I seem to never get around to do the things I plan. New projects come up to interfere. I thought this week would be comparatively free, but it's turning out I've something every day. Now, I'm at a thrift shop a club runs to make a little money. Tomorrow afternoon I go to the Red Cross office to read material for the director, who is blind. And so the time goes.

I'm not looking for many customers since this is a drizzly day. However, one woman followed me in and made a purchase, so I've not come in vain. If no more comes I'm going to leave after a while, for I also need to go to the bank. Did you get up for Christmas?

If you have the time, I'd be glad to have the descendants of your grandmother, Laura Thompson Law. Just put it on

scrap paper - I can copy it off.

The Historical Society here has published the records of all Adair Co. Cemeteries. I haven't bought the book - most of my family is in the Mt. Carmel Cemetery. Aunt Jessie is in the Platte, north of Mt. Carmel. However, I do want to see the book.

I know there are mistakes in the Mt. Carmel one - I got all I could find, but with rock markers, it's hard to know. Then some grave mounds were completely gone. It would have been better had the survey been made before my parents died.

Are you liking Japan? I've been there, but never stopped any place there. I have a friend at Midland who has urged me to visit. When one is on a tour, it's hard to meet people, tho I did last summer, at Seattle. A friend drove ~~to~~ ~~over~~ motel. There's rough places in this table.

I hope all of you are well and that this information will be of help.
Love, Esther

HUSBAND - Levi COMPTON-2735

Info from Esther House. Stated Levi Compton resided in Scott Co. IL and was immigrant from Ireland (British Isles).

But later research by Sandy Taylor has shown he was living in OH and maybe born there in 1833. Married Celia (Tuggle) Henry (widow of Mr Henry) in Morgan Co. IL 15 Nov 1855. She sent marriage record but very hard to read other than names (Feb 2009) Following info from Sandy.

Levi was said to have died 9 Nov 1912 Macomb, McDonough Co. IL abt age 79. Would appear wife had died before 1910 census.

Levi's obit from the Macomb Journal paper dated 9 Nov 1912 pg 5:

Levi Compton died at 10:50 o'clock this morning at his home, 544 South Dudley Street, age 79 years. Cause of death was Bright's disease and complications, from which he had been ill for the past three months and confined to his bed for about three weeks. Funeral services will be held Monday morning at 10pm at the home of his daughter, Mrs Ellen Minner, 514 South Dudley street, conducted by Rev. Joseph Jenkins. Interment in the Gibson cemetery in Lamoine township.

Deceased was born in Ohio and came to Illinois when a boy. He settled in Scott county and came to Macomb in 1909. He was united in marriage in the year 1852 to Selia Tuggle, deceased. The following children survive, Jerry, Adair Co., MO; Mrs Katharine Byerly, Macomb; Mrs Ellen Minner, Macomb; Mrs Ida Shrimp, Van Couver, B.C. (Jerry would be son Jeremiah Douglas Compton)

Appears Celia was dau of John and Elizabeth Gianniny. Celia b. 1832 TN.

Children: 1860 Wonder if James H. b. 1858 is same person as Henry in 1880 census with wife Ellen?

1850 Scott Co. IL, Selia Henry listed with Thomas Henry as age 23.

1860 Scott Co. IL, Twp 15 Rg 12 listed Levi Compton age 22 b. OH, with Agalia Compton age 28 b. TN
Amanda Henry 15 IL, John W. Henry 12 IL, Mary E. Henry 12 IL, Rosanna Henry 10 IL, Wm R. Henry 7 IL, Jeremaih Henry 4 IL, James H. Henry 2, Mary Compton 69 b. VA. (last 2 children would be Compton not Henry).

1880 Chalmers, McDonough Co. IL, Levi Compton 45 OH, with Angelia Compton b KY, Henry Compton, son IL, Ellen dau in law (believe dau not in law), Catharine Compton, dau, Ida Compton dau.

Subject: Levi Compton Descendant Report

Gladys and Vivian,

Attached is what I have so far on Levi Compton. I'd like a lot more. Gladys, this doesn't quite fit with your story. I haven't found any Irish so far, and Levi's wife appears to be Celia Tuggle Henry Compton. The names of some of their children are wrong in the 1860 census because all of their children are listed with the last name of Henry, and any child born after Thomas Henry died and after Levi and Celia are married in 1855 should have had the last name Compton.

There is a Mary Compton living with them in the 1860 census. I think she would be Levi's mother. She is age 69 in 1860, which makes her born about 1791. She was born in VA.

I can't find Levi in the 1850 or 1870 census.

A Susan Oliver is researching this line. I asked her if I could share her and her information with both of you and she says yes. If it's okay, I'd like to include all four of us in these discussions. Her email address is: susan oliver <susanneoliver34@hotmail.com>.

She sent the marriage certificate which I can not read and a descendant report for John Tuggle.

Seems like that gal has lots of different names and apparently no one knew for sure what it was. Celia, Cecelia, Agalia, Angelia and now Carolyn (and could throw Mary in there but we now know that isn't right at all) So much fun. Maybe if knew closer to when she died the Macomb paper would have an obit for her as well, according to her son Henry's death in 1908 she wasn't listed so presume she had died, maybe a cemtery would have a name listed. If someone has put the info on the web site "findagrave" it might be there. I have found quite a bit of good info from that site.

Sources for Deloma:

BIRTH: Info from Deloma. Her name was Cora Deloma but always went by Deloma.

MARRIAGE: Info from Deloma and court records. Recorded Kirksville, Adair Co .MO

Deloma lived at 507 Green St., Kirksville, MO, before her death. She had lived there for several years and when I went to Columbia to do research I would always stop there on my way home to spend a night and day with her and we usually called Esther House and went to supper together and spent the evening talking. I was there last in November 1995 when I stayed with her and we had such a nice time, as we always did. She had been having problems then but nothing serious at that time. She was having problems with her eyesight and had been going to Columbia, Mo for that. She pretty well had her diabetes under control with insulin shots. She had always been heavy and had lost some weight in Nov. and had lost a little more by May it seemed.

After the death of Leon she moved back to MO at Sue City for a while and taught school. Then she went back to school to be able to teach. Then she went to work as Dietition at the KOA Hospital where she retired in 1987 after working there about 20 years. This was what Deloma told me.

Delomas parents had gone to Washington before she was born but didn't stay long after she was born, came back to Adair Co. She was raised near Mt Carmel church and cemetery. She said her grandfather John Sadler gave the land for the Mt Carmel church and cemetery.

Have info on the Sadler famiy from Deloma and Esther Sadler House and also pictures of them. The Thompson's, Sadler's and Easley's were related.

Have pictures of cemetery stones in Mt Carmel cemetery.

June 1976 she spent 2 weeks in Hawaii.

I usually try to visit with her every time I am in Kirksville, which was about once a year until 2 yrs ago when wasn't able to get there as often. Deloma Thompson and Esther and I usually go out to eat and then spend the evening talking of family. I last visited with her in Nov 1994 and visit enjoyable as ever. Did get to visit with her some at the funeral of Deloma Thompson 22 May 1995 in Kirksville, but a sad occasion.

Both Esther and her brother have their grave stones set in the Mt Carmel cemetery, where they will be buried.

Esther was moved to a Nursing Home few years after I was there and also after Jan 1998 as she wrote a letter and said she was 94 but know was just shortly after that. I visited her one time there and she really didn't seem to remember me so I never stopped again.

Dear Gladys

I was indeed glad to get your letter, and to know

you've had some good days as well as difficult. I suppose most of life has to have that condition to keep us fairly level headed. And

the more members there are there is more problems and joys will occur.

I had wondered if you did as much genealogy research. I've never done as much, and I had help. And I've helped some of the relatives. One Thompson

from Idaho showed up. I may have
given you some of her findings.

I'm not very active in DAR
any more. But I'm glad I attended
two of the meetings national some
time ago.

At my last birthday I became
94 years so have slowed a bit, less
bits.

My brother enables me to stay
still in my home. And get
meals on wheels.

We've had health problems too

Jan 8, a Sadler cousin died -
had cancer. His mother was
the oldest child in my grand
father family. He also was

Deloma's cousin. I've missed
Deloma. Her sister Lillian is in
a nursing home at Troy, Mo.

Hollis had no trouble selling
Delomastrotz, sold as she had it
furnished. I think he took the car,
rather than, and one chair.

No one hears from him that I
know about.

I should tell you the cousin's
Name - Ernest Mager, son
of Cora Sadler Mager. He had
cancer. He was 6 months
younger than me. His step
father was John Potev also at
one time Grandmother Conplon's
step father.

Your Material may include
the names of Edward & Ina Potev

Grandmother's half brothers.

Our winter has it been too
bad, tho of course its cold and
snow on the ground.

When things calm down for
you and you're in Parksville
area, stop here. And take care
of your self and keep in touch.

Esther

HUSBAND - Howard "Albert" SADLER-2762

Info from sister Esther House. I have never met Albert, as it never worked out when I was there, but Esther had given me info on his family. He is living in Kirksville now but still has the home place just north of Mt Carmel cemetery that he takes care of.

He and Dorothy had two children.

He was graduate of NE MO State Teachers College and the University of MO and was a superintendent of Schools in MO for 40 years.

"History of Adair Co. MO" pg 412 has bio of Howard and picture with article. Holds Bachelor of Science degree from NE MO State Teachers College and the Master of Education degree from the University of MO. Served in the school systems of Elmer for 8 yrs, Ethel for 6 yrs, Keytesville 12 yrs and Paris 14 years. Retired from the superintendency at Paris in 1972 and moved back to the farm in Adair Co. where he was born. During his retirement he is enjoying his hobbies of playing gold, hunting and reading.

He was a member of Phi Delta Kappa, the American Association of School Administrators, the Missouri State Teachers Association and other state, as well as local, professional organizations. He was also a member of the Masonic Lodge, Ararat Shrine, Lions club at Keytesville, Rotary Club at Paris, Iptimist club of Kirksville and the Christian church at Gifford.

Dorothy sent some info on Albert to Vivian Vice Wright which she forwarded to me Nov 2006.

Albert died 21 Sep and buried him on what would have been their 68th wedding anniversary, 23 Sep.

He taught at Elmer, Mo 1932 to 1940. He had 7th & 8th grades and all school coaching both boys and girl sports. Left Elmer and went to Ethel 1940 and there 2 yrs they hired him as Supt. of School and he still taught all sports. Left Ethel in 1946 and went to Keytesville for 12 years then then went to Paris and was there 14 years. Dorothy was Alberts secetery all that time till he retired.

She said they still have the farm where his folks lived and they bought it when the parents moved to Kirksville to live with their daughter Esther. Albert rented the farm and they pretty well destroyed the house. So later on he started working on it but didn't have much time.

He must have had an accident as she said after that he didn't eat and they had to fed thru his stomache and then couldn't move but could talk. (Don't know when this was or the situation)

They celebrated their 50th wedding anniversary in June of 1983 with an open House at Gifford Christian church. Had article in paper with their picture. Kirksville, Mo, Express 7 News, Sunday, June 19, 1983.

WIFE - Dorothy Mae MONTGOMERY-2768

Info from Esther House.

Dorothy sent info on Esther House to cousin Vivian Vice Wright and she sent it to me Nov 2006. Dorothy was age 92 and said had had 3 operations in Kansas City but not the cause. Albert died before Esther did so hope to find his death date from her soon.

Dorothy was his secretary all the years he was in the school system until his retirement.

They had an open house at Gifford Christian Church in Jun 1983 to celebrate their 50th wedding anniversary a little eary. Vivian sent picture of them at the time and an article from paper.

Kirksville, Mo, Express & News, Sunday, June 19 1983. This article listed her parents as Mr & Mrs R.G. Montgomery and I was given their names as Harry and Jennie.

Vivian sent info on Albert's death from Dorothy which was 21 Sep 2001 and he was buried the 23 Sep on their 68th wedding anniversary. He was buried in Mt Carmel cem. where his parents and sister were buried.

I'm forwarding Dorothy's letter. She doesn't give the year of Albert's death, but I know they were married in 1933. Based on what she says about burying him on their 68th anniversary, he died in 2001.

Dear Loretta,

I don't know if Esther House has ever mentioned me or not but I have been working on the Thompson family for many years and always stop to see Esther when I am in Kirksville. I last saw her in Nov 1994 and she was doing great. For a lady to be 92 in Nov. she does get around.

She had given me some information back in 1980 on her family and I thought it about time to update that info as it has been some years and sure there are changes.

We are third cousins one generation removed, which dosen't make us close cousins but are none the less.

I have enclosed a family group sheet if you would check it over and make any changes or additions it would be much appreciated. I would like info on your children, their marriages and any grandchildren there might be.

Also is your brother still living in MO? What is his mailing address? I need info on his family as well so want to write him also.

Thank you for your help, hoping to hear from you in the near future.

Sincerely,

I believe it was your granddaughter who called yesterday and said she would be out of town for week but would send me some information when she got back but had said you were interested in the picture I mentioned of your parents with you and your sister and it so happens I had an extra one so will send to you now and then after I get copies of the others in your fathers family can send them to you if you like. I have to get film and set up the camera and all to take copies of the others is why it will take longer.

Hope you enjoy the pictures.

Dear Patricia,

I received your address from your father when he sent me info on his family. He didn't send any info on your family and so thought I would write you in hopes you could send me info on your husband and any children you may have.

I have been working on my family history for many years and Esther House of Kirksville, MO had given me some info on her family back in 1980 so thought I had better get a little more updated then that.

I have enclosed a family group sheet if you would complete it and make any corrections and mail back to me I would really appreciate it.

Sunset and evening star,
And one clear call for me!
And may there be
no moaning of the Bar
When I put out to sea,

For tho' from out our bourns
of Time and Place
The flood may bear me far,
I hope to see my Pilot—
face to face,
When I have crost the bar.

The Twenty-Third Psalm

The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures.
He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the
paths of righteousness for His name's sake.
Yea, though I walk through the valley of the
shadow of death, I will fear no evil:
for thou art with me; thy rod and
thy staff they comfort me.
Thou preparest a table before me in the
presence of mine enemies:
thou anointest my head with oil;
my cup runneth over.
Surely goodness and mercy shall follow
me all the days of my life:
and I will dwell in the house of the Lord for ever

Dear Cousin,

Esther House had given me some information on your family some time ago and so decided to get started to follow up the info and update it if I can, with your help. Marjorie Smoyer of Kirksville had given my your address.

We are third cousins by way of your mother, Jessie Lavena Compton, her mother Alzada Sophi Clem and her mother Louisa Jane Thompson. Louisa's brother Levi Douglas Thompson is who I descend from. I have known Esther for some years and knew she had done some research on our Thompson line as I had so she had given me info on those lines which included your parents and their children. However that was back in 1980 so am somewhat out of touch with children of Jessie L. Compton.

I would like to complete this family up to date and would really like your help on completing that task with your help. I have enclosed a family group sheet of what Esther had given me and would like for you to look it over and make corrections and update it for me. Esther had also given me a picture of your mother when she was young and also one of her older.

I was in Kirksville, MO in Nov 1994 and went out to supper with Esther and she is still getting around pretty good and we talked of family but mostly older ones as she has been trying to locate the parents of John W. Thompson for many years as I have since 1969 still with no luck.

Addresses of anyone in the family would also be helpful as haven't had much luck in finding any recent ones.

Hope to hear from you in the near future. Thank you.

Sincerely,

Dear Daniel,

This is a shot in the dark, but I am trying to locate one Dan C. Lowe that married Nancy Kathleen Ensign in California before 1971, are you by any chance this person?

If so I had written to Geneva Ensign some time ago in hopes to get your address but have never heard from her and did located this address in the Phone Disk so decided to take a chance.

I have enclosed a family group sheet I would really appreciate if you would fill and send back to me. If you aren't this person, just throw away the sheet but please write me and let me know you aren't this person so I can continue to look.

I have been working on the Thompson family for many years and Esther House of Kirksville had given me sketchy info on Geneva Daniels Ensign's family and have decided to try to up date this.

I am curious as to where your Lowe's descend from as my family of Lowes came from VA to AL to IL to IA and MO?

Thank you for your help and hope to hear from you in the near future.

Dear Cecil,

I received your address from your father's sister, Marjorie Sawyer of Kirksville, MO. I have been working on my Thompson family for some time and Esther House had given me some info on the Daniel's family some time ago and I decided to try to update that info.

There was a difference of opinion of your father's name, as Esther and Marjorie stated Loren so would like the correct one.

I have attached a family group sheet of your father and his wife, but I would appreciate it if you would fill out and return it to me. No children were listed for you so if you have any children I would like info on them as well. I would like to know of your mother as well.

Thank you for your help and hoping to hear from you in the near future.

Sincerely,

Vivian Wright
Sandwich, IL 60548

Dear Vivian,

I don't know if this will get to you or not as I only have the town you live in but thought I would try.

I have been working on my Thompson family for some time and Esther House had given me some info on the Daniels family so decided I would update what I could as that was a long time ago and much needs to be done on updating the family.

One of the cousins in OH said she would send me your address but never did and I wrote to Roy's mother, not knowing she was deceased but never heard from Roscoe either. I am having trouble locating some descendants of Jessie and Byrd Daniels as they are so scattered.

I have enclosed a family group sheet for Roy and his parents, maybe you could help me fill in the blanks.

Thank you for your help and hoping to hear from you in the near future.

Sincerely,

Dear Cousin,

Esther House had given me some information on your family some time ago and so decided to get started to follow up the info and update it if I can, with your help.

We are third cousins by way of your mother Jessie Compton Daniels, her mother Alzada Sophi Clem and her mother Louisa Jane Thompson. Louisa's brother Levi Douglas Thompson is who I descend from. I have known Esther for some years and knew she had done some research on our Thompson line as I had so she had given me info on those lines which included your parents and their children. However that was back in 1980 so am somewhat out of touch with children of Jessie. I had located your address in the Phone Disk on CD Rom and thought would take a chance you still lived in Michigan City, IN.

I would like to complete this family up to date and would really like your help on completing that task with your help. I have enclosed a family group sheet of what Esther had given me and would like for you to look it over and make corrections and update it for me.

I haven't been able to locate some of your brothers and sisters addresses and it would be of great importance if you could send them to me so I could contact them as well, I know some are deceased but maybe their wives or children could help.

I was in Kirksville, MO in Nov 1994 and went out to supper with Esther and she is still getting around pretty good and we talked of family but mostly older ones as she has been trying to locate the parents of John W. Thompson for many years as I have since 1969 still with no luck.

Am writing to Norman Daniels if address is still Salem, OH as well.

Hope to hear from you in the near future. Thank you.

Dear Cousin,

I had written to your father for info on the family and Byrdette said her mother gave her the letter and she sent info on her family and also sent your address. I wanted to write to you for information on your family. Not knowing if you were married or not, Byrdette didn't say.

No info was sent on parents or adopted sister either. I have enclosed a family group sheet if you wouldn't mind to correct or complete it for me. I had received some info from Esther House of Kirksville on the family some years ago so though I had better get back and finish it.

We are third cousins once removed, some distant cousin, but still I feel related. I have been working on our Thompson family for many years as Esther has.

A little of what you are doing and why you moved to NC would be interesting. Hoping to hear from you.

Sincerely,

Dear Jessie -
Just a thank you note now for
the flowers, they were lovely. Orin
had a very nice Masonic funeral
there were about 200 there. I know
you would have liked it. I'll try and
write you a letter as soon as I can. I have
had no real donation of gifts, to the Heart
Fund, Cancer fund, children home and
money. I divided the money between the
church & Masonic lodge. I know that
what you would like. I'll surely miss
you. I am glad that we moved down
here. Again thanks with love with lots
of love - an ever - reunited.

Subject: Ira Orin Compton

Gladys,

In one of your letters you mentioned Ira Orin Compton. I have been looking for his obituary or funeral pamphlet, but I guess I don't have one. I found this letter from his 3rd wife Mildred that was written to Orin's sister Jessie after his death. It confirms his last residence (7465 Church St., Sp. 76, Yucca Valley, CA), but not necessarily the place of his death.

I have July 10, 1972 as his death date. I don't know where I got that, but it is different than the date you mentioned.

I have been trying to find out more about Orin via his son Gene. But Gene doesn't have a computer, so correspondence is slooooooow. His daughter-in-law is the go-between. She is a very busy young mother who works outside the home.

I am searching for the names of Orin's wives (1st--Lenora ?; 2nd--Jean Tate; 3rd--Mildred?).

HUSBAND - Harold Clyde COMPTON Col.-2875

First info from Esther House, 1980. Had 3 children.

Residence: 6282 Winding Way, Carmichael, CA 95608-1173 Phone 916 863-7543.

Then received letter from Col Harold C. Compton, 6282 Winding Way, Carmichael, CA 95608-1173 Mar 1995 with some updated info that I had written to his mother about and letter was forwarded to him as his parents were both deceased.

He will be 73 in August and still travels a lot, must be in good health.

Harold and wife Faye were leaving the 31st Mar 1995 for 3 months to Zimbabwe then 3 months in England and home for few days and then to Dallas where he does Volunteer accounting work for Pioneer Bible Translators so won't be at his home address for a couple years but is renting out the house while they are gone. His mail will be forwarded by his daughter Greta who is living at 5939 Wedgewood Ave, Carmichael, CA.

He said he had spent some time at the Rock Island Arsenal in April 1977-78.

I then called him the 27th of Mar after I received his letter, since he would be out of the country for a while, needed to get some more info on his family. We talked for quite a while and he told me about his life and travels but talked faster then I could write so maybe he can write something later.

He and his wife like to travel and have done a lot of it, he was wanting to visit several countries as well as the US. They had been in Zimbabwe in 1984-85 for a year so was looking forward to going back.

He was in the Army for 3 years and in WWII at the time. When he got out he stayed in the Reserves and retired from there a Col. He spent time in Germany also and then later went back to visit and toured Germany. He is quite a busy man and seems to be going somewhere all the time. He said they come to Kirksville about every year and make Esther House's home their headquarters. He has cousins in Galesburg, IL and Springfield, IL that he likes to see, (mothers side). He visits his brother in Knoxville, TN some as well as other travels that direction between Dallas, TX and Cincinnati OH. Maybe he will stop here next time they come close.

He said his father moved to California when he was 14 about 1937 as had a cousin there. He did know some of my cousins in Adair Co. on the Thompson family of Levi Douglas Jr's children, Leon, Otis and Delbert. He knew Deloma as well, hadn't seen her in some years though.

His daughter Greta was going to handle his affairs at the home place while he was gone. His daughter Barbara lives with husband and family in Klamath Falls, OR and has a fruit farm near there. He gave me addresses of his brothers and sister and told a little about them, so could write them as well to get their family info.

Dear Cousin,

Esther House had given me some information on your family some time ago and so decided to get started to follow up the info and update it if I can, with your help. I received a letter from your brother Harold and he gave me your address, hope you don't mind.

We are third cousins by way of your father, Clyde D. Compton, his mother Alzada Sophi Clem and her mother Louisa Jane Thompson. Louisa's brother Levi Douglas Thompson is who I descend from. I have known Esther for some years and knew she had done some research on our Thompson line as I had so she had given me info on those lines which included your parents and their children. However that was back in 1980 so am somewhat out of touch with children of Alzada S. Compton.

I would like to complete this family up to date and would really like your help on completing that task with your help. I have enclosed a family group sheet of what Esther had given me and would like for you to look it over and make corrections and update it for me. Check the spelling of the names as well to be sure they are right. Esther had given me a picture of your husband's father when he was a young man.

I don't know if you know Esther or not but when I was in Kirksville, MO in Nov 1994 went out to supper with Esther and she is still getting around pretty good and we talked of family but mostly older ones as she has been trying to locate the parents of John W. Thompson for many years as I have since 1969 still with no luck.

I would like the addresses of your daughters as well as I would like to have information on their families as well.

Hope to hear from you in the near future. Thank you.

Sincerely,

Dear Cousin,

Esther House had given me some information on your family some time ago and so decided to get started to follow up the info and update it if I can, with your help. I received a letter from your brother Harold and he gave me your address, hope you don't mind.

We are third cousins by way of your father, Clyde D. Compton, his mother Alzada Sophi Clem and her mother Louisa Jane Thompson. Louisa's brother Levi Douglas Thompson is who I descend from. I have known Esther for some years and knew she had done some research on our Thompson line as I had so she had given me info on those lines which included your parents and their children. However that was back in 1980 so am somewhat out of touch with children of Alzada S. Compton.

I would like to complete this family up to date and would really like your help on completing that task with your help. I have enclosed a family group sheet of what Esther had given me and would like for you to look it over and make corrections and update it for me. Check the spelling of the names as well to be sure they are right. Esther had given me a picture of your father when he was a young man.

I don't know if you know Esther or not but when I was in Kirksville, MO in Nov 1994 went out to supper with Esther and she is still getting around pretty good and we talked of family but mostly older ones as she has been trying to locate the parents of John W. Thompson for many years as I have since 1969 still with no luck.

I would like the address of your son's as well as I would like to have information on their family as well.

I noticed you are the only one of the family to leave Calif. Why did you go to TN?

Hope to hear from you in the near future. Thank you.
Sincerely,

Elmhurst Public Library
Elmhurst, IL 60126

Dear Librarian,

I am trying to locate an obituary of a cousin who died in Elmhurst, IL, would there be a newspaper there and if so would it be possible for you to send me a copy of the obit if located?

Thelma Lee (Compton) Singer died 6 Dec 1980

I have enclosed \$2 for copies and a SASE for a reply.

If there isn't a newspaper for Elmhurst, where would be the closest most likely to have an obit?

Thank you for your time and help.

HUSBAND - Glen LEWIS-2909

First info from Esther House. My date of 1950. Name of husband was wrong as was the date but have the correction updated info from Shirley Schneeberger who was the daughter of Thelma's 2nd husband, Herman Singer May 1995.

Had written to one Lewis D. Singer, 916 Jackson, Aurora, IL 60507 to see if he was the one married to Thelma Compton or maybe a son even, but he said he was no connection and couldn't locate any one that knew anything. (Apr 1995). This was just a coincidence I guess.

Don't know if Glen died or they were divorced. They had no children.

Dear Wayne,

I am trying to locate one Wayne R. Irwin who was a grandchild to Thelma C. Singer who died in Dec 1980 in Elmhurst, IL. Are you that person?

I have been working on my Thompson family who the Comptons married into and Thelma Compton Singer was married to Herman Singer and I just received her obituary which listed a daughter and three grandchildren. I checked the Phone Disk CD and only located you that I was hoping was the right person.

I also am looking for John (Doreen) Irwin and William (Shirley) Schneeberger, if you could help me get in touch with them I sure would appreciate it.

I am trying to complete the Compton family and so have enclosed a family group sheet if you would be so kind to fill it out for me.

If you aren't this person, could you still let me know so I can keep looking.

Thank you for your help.

Sincerely, your Cousin (hope)

Dear Librarian,

I am trying to locate an obituary of a cousin who died in Elmhurst, IL, would there be a newspaper there and if so would it be possible for you to send me a copy of the obit if located?

Thelma Lee (Compton) Singer died 6 Dec 1980

I have enclosed \$2 for copies and a SASE for a reply.

If there isn't a newspaper for Elmhurst, where would be the closest most likely to have an obit?

Thank you for your time and help.

Sincerely,

Gladys L. Treadway

Enclosed are copies of the requested obituary from the Elmhurst Press and the Chicago Tribune. If we can be of any further help, feel free to contact us.

Lewis D. Singer

Aurora, IL 60507

Dear Mr Singer,

I am trying to locate Lewis Singer who married Thelma Lee Compton
sometime around 1950. Are you that person?

I have been researching the Thompson family for some time and
Esther House of Kirksville, MO had given me some info on who
Thelma married but nothing else. I was wondering if you could
help me with the information.

I have enclosed a couple family group sheets that has the info I
have and if you could check them for correct info and add what
you know it would be much appreciated. Esther had said Thelma
lived in Elmhurst, IL and seeing Aurora is close and name was
right thought would take the chance.

Don't know if you know Esther House but she was a cousin of
Thelma's. We all relate back to John W. Thompson of Adair Co. MO
and who Esther and I have for many years been trying to find out
something about his parents, with no luck to date.

Hoping to hear from you in the near future. Thank you.

Sincerely,

Gladys

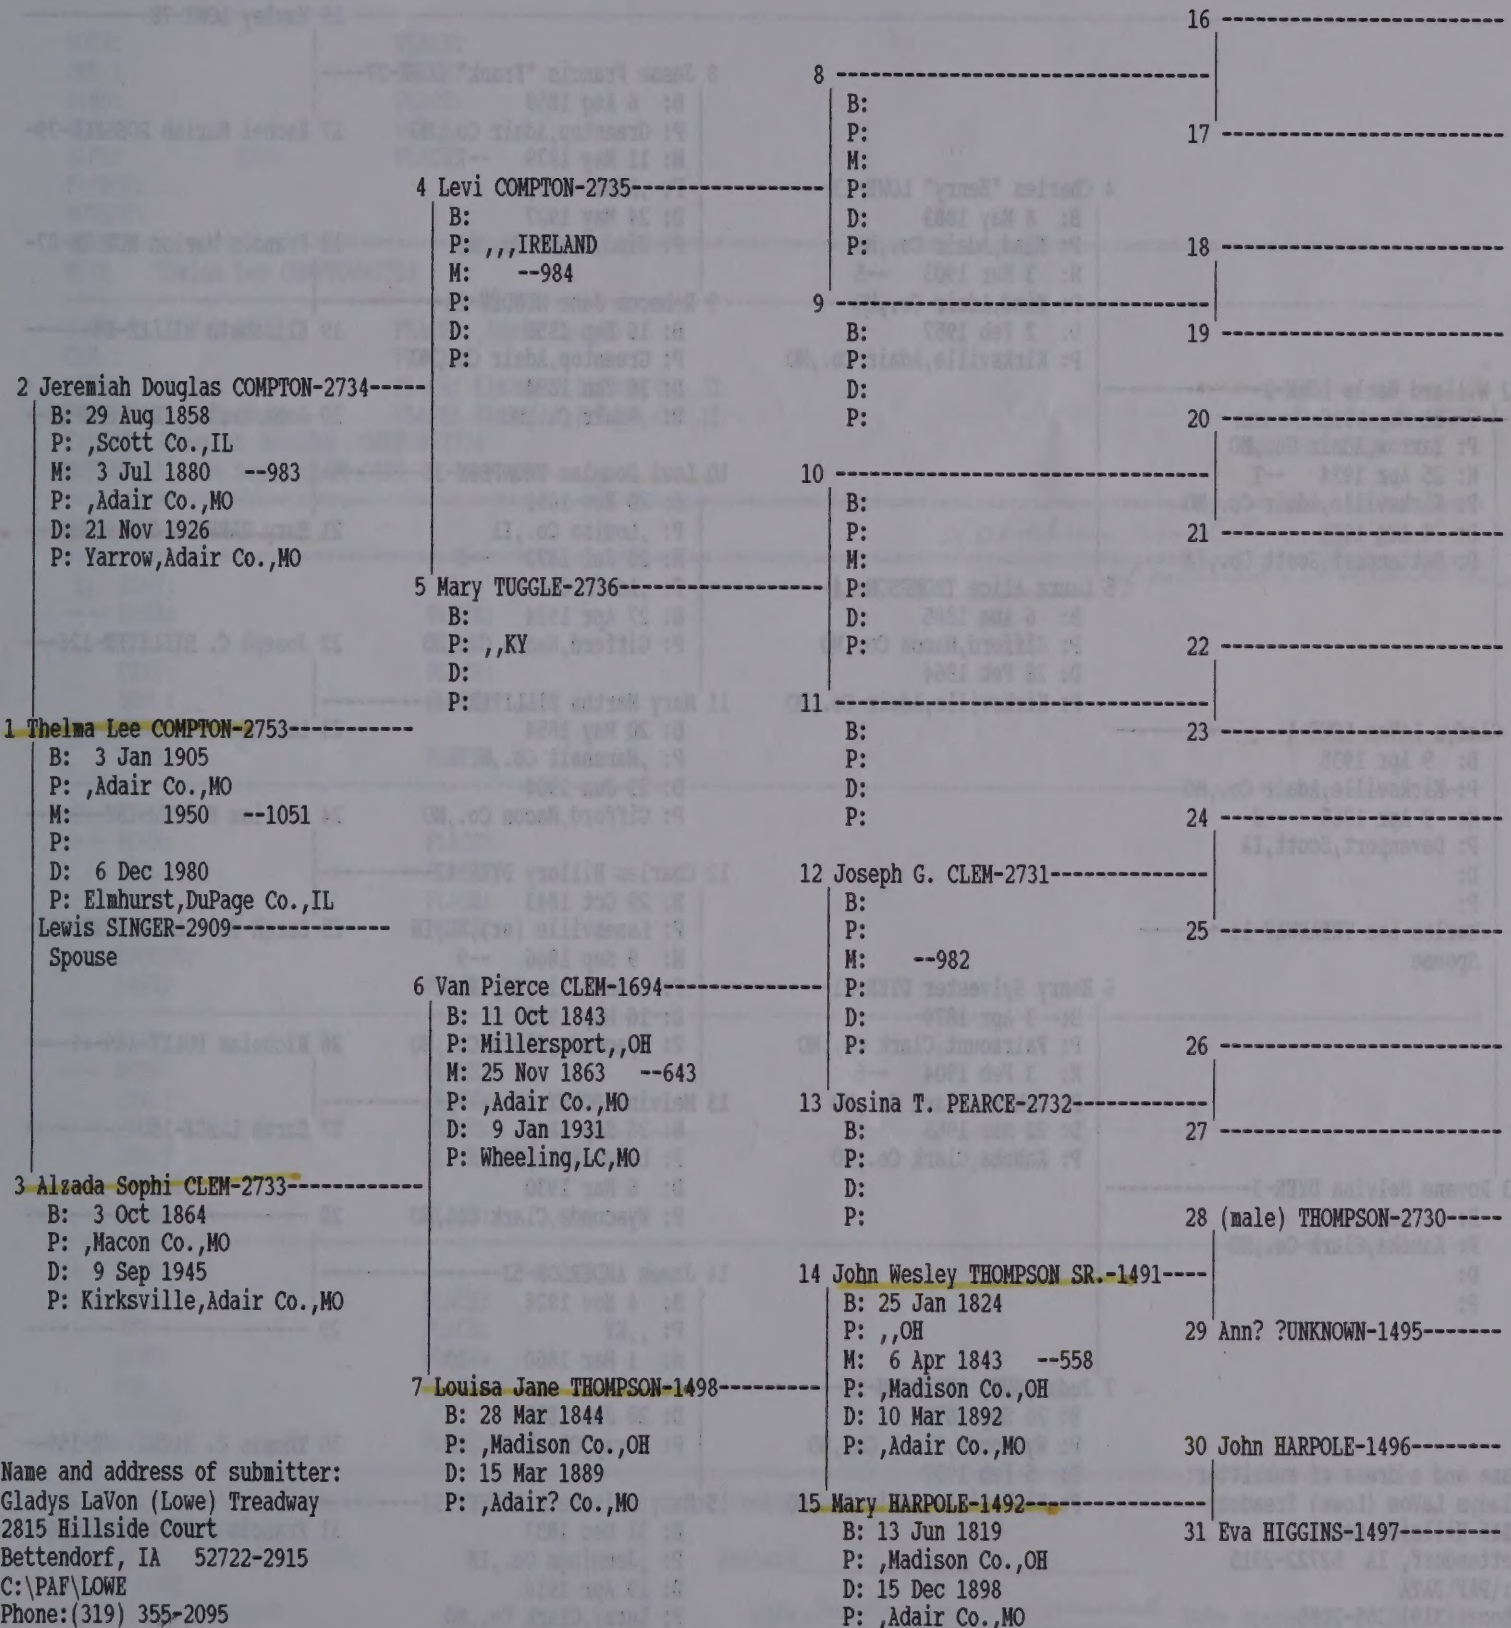

*P.S. if not this person please let me
know also -*

*Dear Gladys, I'm very sorry, but I am
unable to find any relatives who know of any
of the names you've enclosed. Best of luck on your
Search. Sincerely Lisa H. /w*
